

Electronic Date Recognition Clause

For the purpose of this clause the expression Electronic Equipment shall mean any computer or other equipment or system for processing storing or retrieving data and shall include but shall not be limited to any computer hardware firmware or software, media, chip, microchip, integrated circuit or similar device.

This policy does not cover physical loss, destruction or damage directly or indirectly caused by, or contributed to by or arising from the failure or inability of any Electronic Equipment, whether the property of the insured or not, and whether occurring before, during, or after the year 2000

- a. Correctly to recognize any date as its true calendar date
- b. to capture save or retain or correctly to manipulate, interpret or process any data or information or command or instruction as a result of treating any date otherwise than as a true calendar date and/or
- c. to capture save or retain or correctly process any data as a result of the operation any command which has been programmed into any Electronic Equipment being a command which causes the loss of data or the inability to capture save, retain, or correctly to process such data on or after any date.

But this Clause shall not exclude any physical loss, destruction or damage not otherwise excluded, which itself results from fire, lighting, explosion aircraft or other aerial devices or articles dropped therefrom, riot, strikes, malicious damage, earthquake, storm, flood, escape of water from any tank apparatus or pipe or impact by any road vehicle or animal, theft from a building (provided there is violent or forcible entry to or exit from such building).
