--

It is agreed and understood that otherwise subject to the terms, exclusions, provisions and conditions, contained in the Policy or endorsed thereon and subject to the Insured having paid the agreed extra premium, this insurance shall be extended according to the provisions stated below to cover loss or damage occurring in connection with the insured contract works to the structures stated below:

Loss or damage to the above-mentioned structures is only covered if prior to the commencement of the works their condition is satisfactory and/or the necessary safety measures have been taken. The Insured shall produce together with the Insurers a report stating the condition of the structures before the beginning of the works.

Should further safety measures become necessary during construction, the expenses incurred for such measures are not indemnifiable under the Policy.

In respect of loss or damage resulting from underpinning, tunneling or other operations involving supporting elements or the subsoil, the indemnity shall be restricted to total or partial collapse.

Cracks that neither impair the stability of the structure or the safety of its users are not covered.
