

Plate Glass Extension

The Insurer covers accidental breakage of stationery glass (clear or silvered), mirrors attached to walls, mobile glass (doors, windows, glazed partitions, etc...) table glass and/or mirrored shelves of bathroom fixtures.

The coverage also extends to damage to electric or other signs attached to the buildings or located outside, alongside roads, including damage from extended coverage defined above when such extended coverage are provided in the Special Conditions of this contract.

Also covered are the expenses incurred for replacement of insured assets, and those incurred for installation of temporary replacements following a casualty.

EXCLUDED FROM COVERAGE ARE ITEMS WHICH CRACKED, SCRATCHED OR OTHERWISE DEFECTIVE AND DAMAGE CAUSED BY LAPSE OR TIME OR BUSINESS INTERRUPTION BETWEEN BREAKAGE AND REPLACEMENT.
