

Maintenance Agreement Warranty

It is agreed and understood that, otherwise subject to the terms, exclusions, provisions and conditions contained in the Policy or endorsed thereon, maintenance services shall to be defined as follows during the period of the Policy :

- safety checks
- preventive maintenance
- elimination of damage or trouble having occurred as result of normal operation or wear and tear and requiring repair or replacement of components, modules and parts.

In accordance with the conditions of the Policy cost incurred for these maintenance services shall not be insured.
